Hi Betsy,

I think it means more job security for our Lab. The State Police have more financial resources than our old Department. Young is on vacation this week and I will contact her later. Good luck in your new job. I will miss you at the safety meetings; you kept them short and simple.

Thanks,

Hi Betsy,

We are no longer under Mass Public Health, we are now under Mass State Police and they requested quarterly shower testing. Who do I contact to get our Drench Showers tested?
